

Friends of Rangers

Scholarship Application

Friends of Rangers is a scholarship program of SoMO District Royal Rangers whereby individuals, churches, or other organizations provide financial support to underwrite the cost of participation for boys or leaders attending district events. If you have individuals in your outpost with a financial need that would prevent them from attending a district event, Friends of Rangers is here to help.

To request a scholarship for one or more boys or leaders, please provide the following information and send to Rangers@somoag.org as early as possible before the start of the event. Please note that requests are approved based on availability of funds and the degree of financial need involved. You will be notified if your request is approved.

PERSON NEEDING ASSISTANCE:
