## Words from the Prez.

This past year was a great year for the Daniel Boone Chapter. The FCF village at Powwow was once again a success (as it always has been). Having 29 new Frontiersman shows that we still have a great enthusiasm to keeping the spirit of FCF alive. Who could argue that we had one amazing setting for the Fall Trace? Thank you to “Brother Parsons,” McHaffie, for sharing with us that beautiful location. For those who made the long trek to Louisiana, we all know what a great time we had in the sandy campground. Thank you “Two Forks,” Triphahn, for putting together a great Territorial Rendezvous that we all are sure to remember for a long time. My last thank you is to all of you in the FCF Daniel Boone Chapter for keeping alive the spirit of FCF and I encourage you to keep it alive into this New Year. – Frank Reed, Reed

## Territorial Rendezvous

Territorial Rendezvous was a great event hosted by our FCF brothers from the Jim Bowie Chapter. “Two Forks” brought forth a very encouraging and uplifting word from the Lord, plus organized a great event. Daniel Boone was represented well in the individual events, which will be listed below, but I am proud of our team of 4 young bucks (the only team with all young bucks) who won the Seneca Run. This brought home to the Daniel Boone chapter the new Bobcat Trophy that was beautifully carved by JR Whinery. The team comprised of David Everts, Tanner Breshears, Caleb Lout, and Noah Kelly. All four showed the spirit of FCF with great teamwork that was backed by their skills individually that came together to make each other better. Congratulations to them and everyone who won an event and represented Daniel Boone exceptionally well.

## Two Little Boys

A couple had two little boys, ages 8 and 10, who were excessively mischievous. The two were always getting into trouble and their parents could be assured that if any mischief occurred in their town their two young sons were in some way involved.

The parents were at their wits end as to what to do about their sons' behavior. The mother had heard of a Royal Ranger outpost in town that had been successful in disciplining children in the past, so she asked her husband if he thought they should send the boys to speak with the Ranger Leaders.

The husband said, 'We might as well. We need to do something before I really lose my temper!' The Outpost Coordinator agreed to speak with the boys, but asked to see them individually. The 8 year old went to meet with him first. The Outpost Coordinator sat the boy down and asked him sternly, 'Where is God?'

The boy made no response, so the Outpost Coordinator repeated the question in an even sterner tone, 'Where is God?' Again the boy made no attempt to answer. So the Outpost Coordinator raised his voice even more and shook his finger in the boy's face, 'WHERE IS GOD?'

At that the boy bolted from the room and ran directly home, slamming himself in the closet. His older brother followed him into the closet and asked what had happened. The younger brother replied, 'We are in BIG trouble this time. God is missing and they think we did it.'
