Frontier Adventure Reports

I am excited to go through with Buckskin testing at our Fall Trace.

Since 2000 I have been a Frontiersman working on my outfit, shelter, cool stuff and getting to know the FCF program. It's been 19 years since my Frontier Adventure where we had to stay up all night long to keep the campfire going to smoke jerky and to keep the pests away from stealing our morning breakfast and lunch.

I remember taking the hardest shift between 3 to 5 am and sharing that time with Robert Wenneker. Robert had been to many reenactment camps and was very well prepared for smoking jerky and the light hearted humor and the ability for gab took this rough time of enduring the campfire vigil and made it FUN! Ever since then I have enjoyed seeing his face and thanking God for men of courage and many levels of colorful ideas and expressions.

Even 19 years later we sometimes recall the many backpacks and float trips and FCF events we have shared and sometimes endured to finish it. To be the guys that make it to the end with a smile on our face and a testimony of just how good God is with us.

I just felt like sharing this story as I think of so many men and even the ladies that have stood by Royal Ranger ministry through the years to make it the very best of the best ministries.

Thanks each of you for your faithful walk with Jesus and your example of living the life for Jesus in this life we live. As the years roll by it has been a challenge to be in Royal Rangers and a REAL joy in my life to be a part with you.

For me it just doesn't get any better to share the fire with my family in Christ and look forward to that day when we see Jesus face to face and along with that enjoy a perfect body that has no hint of aches or pain and wow won't that be the day of days!

Thanks for serving.

Words from the Prez.

Wanted to thank those of you who participated and helped make the Frontiersman Village a success at this year's Powwow. If you didn't get to join in on the fun this year, be sure to try not and miss it next year. Also, I would ask for those of you who can participate and represent our Daniel Boone Chapter at Men's Retreat. We have an opportunity to camp out and demonstrate our FCF skills, so join us for what is always a good time during Men's Retreat.

God is Left-Handed

Philip was spending the weekend with his grandmother after a particularly trying week in school. His grandmother decided to take him to the park on Saturday morning. It had been snowing all night and everything was beautiful.

His grandmother commented, 'Doesn't it look like an artist painted this scenery? Did you know God painted this just for you?'

'Yes,' replied Philip, 'God did it, and he did it left handed.'

This confused his grandmother so she asked him, 'What makes you say God did this with his left hand?'

'Well,' said Philip, 'we learned at Royal Rangers last week that Jesus sits on God's right hand.'

The story above was found at Pastoral Care Inc website and has been slightly modified.
