**COST:** \$390.00 per person  
**CONTACT:** Paul Etheridge - pretheridge52@gmail.com  
**DETAILS:** SoMoRanger.com/Pathfinders

---

We have a great opportunity to make a difference in the lives of people living in a very impoverished area of our country. Missionary Gus Craven, who is a member of the Lakota Indian Nation, has a very vibrant ministry to the native Americans living on the Pine Ridge Indian Reservation in South Dakota and he needs our help. Gus depends on men and boys like yourselves to bring their skills, talents and willingness to work for the Kingdom of God.

We are planning a missions trip to Wanblee, South Dakota where Gus has his ministry headquarters. We will be traveling to SD on Monday, August 7th, work (light construction, campground maintenance, and other jobs) at the reservation August 8th, 9th, and 10th. We will then spend the 11th going to Mount Rushmore, Wall, SD, and travel through the Badlands National Park. We will travel back to Missouri on the 12th. We will be bringing my wife and her sister as our cooks so we will eat good! I will be sending out a Pack List and other information in future emails.

The cost of the missions trip is \$390.00. If you need help raising the money let us know. We want every boy who wants to go, to be able to go. If you register to participate and for some reason you cannot make this trip, please let me know immediately so we can look for someone to take your place. If you are under 18 and not accompanied by a parent or guardian there will be some additional paperwork that needs to be completed.

We are looking forward to being with you working, traveling, and serving our Savior by fulfilling the Great Commission.

Paul Etheridge - Missions Coordinator, SoMo District Royal Rangers
