## Fall Trace

Held at the Williams Ranch just north of Bloomfield, Missouri. 40 in attendance. SE Division FCF VP Jason Williams put on an outstanding Fall Trace event at the family Ranch this past weekend. Being a Nat. Rendezvous year and a long ways south and east our Fall Trace attendance was down as it was busy year. YET I will testify and say. In all my years of attending these events Jason and his Dan Ron and team put a lot of time and effort into this event. I felt the Praise and Worship was way over the top of anything I had ever seen at a FCF event and the food kept coming our way. I hate fish...yet I ate 2 plate fulls and now I don't think I hate fish. GRIN!

Our group left Friday morning at 10 am right on time and drove 4 hours to the Williams Ranch. Setup our camp and got a nice afternoon and early evening as the last hot day of summer gave way to some rain and a nice cool front moved in. The next 24 hours was wet with a slow steady rain. Yet as we enjoyed this rain we also modified our plans and situations to accommodate shelters and other structures to make life even better.

Friday night praise and worship and food was really good. These guys were just warming up as Saturday night came they were on fire. Lots of FCF challenge and fun went on all weekend. Our every 2 year Scout Testing was held and we are in the process of getting those points tallied. As usual never an application comes in for scout...so we will wait until these come in before we make the announcement on who won scout. Each year seems a new set of something comes in and changes things. (Will we ever learn...?) I doubt it. The changelings will always be with us. Anyway while we decipher the new rules we will announce the new Scout and Assistant Scouts. – Mark Jones, Company Clerk

## Winter Outing – SW Division – Mark Jones

Jan 25th and 26th, 2019 Temps Low of 22 high of 45. SW Division Winter Outing was held at Bolivar AOG in Bolivar Missouri. We had 74 in Attendance. Event ran from 5:30 pm on Friday evening to Saturday 2:30 pm.

Frank Reed (Reed) and Joshua Pennekamp started the evening out early at about 6:30 with our Speaker Terry Hogart from Convoy of hope. Terry did a great job. Bolivar Praise and Worship was very good and we enjoyed this service very much. Jerry Millhouser (Night Hawk) visited and brought in the many things that District Directors do to keep things working.

We started crafting all kinds of things right after the ice-cream and cookies and when you looked around there was all kinds of fire craft going on. Bow drills, Flint and Steel, Bird nest lessons with handles, Ruger Roll and tinderbox candle lighting and other fire craft things.

At other stations Knives were being ground and leather handles put on them with rivets. Lantern Kits and candle lanterns. Another station we saw possible bags being made out of all kinds of materials leather, canvas to name just a couple. Haversacks, belts, chokers, beadwork and more. We even sealed up a couple of wooden cups made from previous lock-ins with wax.

Ray Reece (Yarrow) handled registration. Ryan Reed (Pike) handled pictures and praise projections. I think everyone helped out in many of the stations. I saw Pat Davis (Plainsman) assembling lantern kits and helping the men and boys burn on a finish on their lanterns. Naming names there is another 20 guys that know you're appreciated. Leaders that bring their boys is the highest calling. Dads that come with their sons and bring along those boys friends. Wow Discipleship in Action.

Saturday night I opted to sleep in the back of my cargo trailer. YUP it was cold at 22 degrees. I left the door open and the vent open and slept little... I was warm but always sleep light. 6:30 I was up and folks were stirring. I heard rumors they shut the heat off inside and it got Cold 55 degrees..

Saturday morning biscuit and gravy with sausage breakfast was prepared by the Bolivar Folk and coffee. Rieder Sprague was detained we missed you Rieder! Two Forks brought the message and did a great job of it. We gave out Squirrel Skews to the guys that went on the 32 degree Trek and talked that up a bit. Other news was talked about and soon we were back over to the Gym crafting once again. At National Rendezvous our Chapter was number one in the Nation!

Central AOG had the highest attendance with 14 there with Ozark AOG a close second with 12 attending. Great job Leaders on stirring the hearts of your outposts and bringing doing the real work of Royal Rangers. Reaching, Teaching and Keeping folk for Christ. Living the Adventure!

Day concluded at around 2:30 p.m. and we had once again been blessed by God's people doing what God has called them to do. YOU are a blessing to others. I thank God for you.

### *Winter Outing – SW Division – Trail Traveler's Report*

Hey there Wilderness Member, Buckskinners, Frontiersmen and Greenhorns! We had a wonderful winter outing at Bolivar Assembly. We had excellent, inspiring guest speakers; Terry Hoggard from Convoy of Hope on Friday; and Two Forks on Saturday morning. We had all kinds of activities and crafts, from tomahawk throws and to bow drill and flint and steel fire making, and leather crafts. We also had trade blankets full of supplies. The room was buzzing with activity. We had over 70 in attendance. It was a very productive event. We even had a special presentation for the young bucks who attended our Frontier Trek this October who received the highly coveted "squirrel cookers" hand forged by Two Forks himself! He was most definitely the big MVP, and we were happy to have him as our most honored guest. I can't wait to see all of you at the Frontier Adventure in May, Powwow, Fall Trace, Trek and Territorial!

Best trails,

Joshua "Trail Traveler" Pennekamp

SW Divisional Vice President

## *Words from the Prez.*

2018 was a good year, in which the highlight of the year was at National Rendezvous. Daniel Boone was named the Top Chapter in the Nation. That has all to do with all of you who volunteered their time to make National Rendezvous one to remember for the Young Bucks and Old Timers. Would just like to say thank you to all of you who made that happen. I am proud of our Chapter. Now, I am looking forward to what God has in store for us in 2019! I am hoping to see a lot of Green Horns at the Frontier Adventure. Also, like to see us top off a great year with us gathering in Terry, MS on Oct. 24 – 27 for the Territorial Rendezvous.

Frank Reed – Reed, Daniel Boone FCF President

## *ACTS 2:38*

A Royal Ranger leader had just returned to his home from a Wednesday night meeting when he was startled by an intruder. As he caught the man in the act of robbing his home of its valuables, he yelled, 'Stop -Acts 2:38!' (..turn from your sin...). The burglar stopped dead in his tracks. The Ranger Leader calmly called the police and explained what he had done. As the officer cuffed the man to take him in, he asked the burglar, 'Why did you just stand there? All he did was yell a scripture to you.' 'Scripture?' replied the burglar, 'He said he had an AXE and two 38's!'
